(Confidential - JGO) Met briefly with Mr. Charles Ducander, Executive Director and Chief Counsel, House Committee on Science and Astronautics, who told me that Chairman Miller was quite satisfied with last week's briefing. Chairman Miller is not expected to return to the city until late this month. Mr. Duckett has been advised.

He noted that as much as he would have enjoyed the Agency briefing, the long weekend and celebrations in Italy were very enjoyable. He expects that the Subcommittee will be coming out again and he will be with them at that time.

9. (Internal Use Only - JGO) Met briefly with Representative William Bray who told me that the Intelligence Subcommittee of House Armed Services had had a good meeting this morning with Ray Cline at State Department and he expects that they will continue these meetings as rapidly as possible with the various elements of the intelligence community. Mr. Bray very much enjoyed his visit to the Agency.
